The immigration officers are directed to record the language and the language they speak. The original stock or blood shall be the basis of the classification independent of language. INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be entered as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising Abruzzi, Apulia, Basilicata, Calabria, Campania, Latium, Rome, the Papal States, Umbria, and Sicily) and their descendants should be entered as "Italian (south)."

Column 10 (Intending permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of maintaining permanent residence. The intention to establish permanent residence must be proved by facts as tests as one year shall be the test permanent residence. Examples of proof of intent to establish residence therein. The entries in column 10 should show the country and city or town of intended permanent residence. It is important to distinguish between intended permanent residence and temporary residence, irrespective of country of residence. Aliens who go to the dominion temporarily or for a special purpose, intending to return to their former place of residence, should not be recorded as manifesting intent to establish residence.

Special attention should be called to the distinction between race and nationality. Thus a citizen of the United States may be a native of Germany, Italy, Russia, Ireland, or any other country, but he is a citizen of the United States. Therefore, in column 11 (Race and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of nearest relative or friend in country whence alien came. If no such relative resides in the United States, the entry in column 11 should show the name and address of friend in country whence alien came. The entry in column 11 should show definitely the place (city or town) of intended future residence. It should not be sufficient to state "Pennsylvania" or "Ohio," but should be "Philadelphia, Pa." or "Cleveland, Ohio."

Column 14 (Final destination).—Intended if not permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 14 should show definitely the place (city or town) of intended future residence. It is important to distinguish between intended permanent residence and temporary residence. If within the United States : country. If outside the United States should be entered Yes (check) or No (no check).

Column 15 (Whether ticketed to final destination).—The entry in column 15 should be "Yes" (or "Y") or "No" (or "N").

Column 16 (Whether in possession of $50 and if less, how much).—The entry in column should show whether alien has in his possession at least $50 in money, and if less the exact amount of money shown. A person may be admitted even if he does not have $50 in his possession, provided he has a ticket entitling him to transportation to his final destination, and sufficient money, in addition to the $50, to pay for his transportation. The law does not require that the money shall belong to the alien, but it must be in his possession or under his control. Money advanced by friends or relatives at the port of entry is sufficient.

Column 17 (Whether condemned as criminal, etc.).—The entry in column 17 should show whether alien has been convicted of or admits the commission of a felony or other infamous crime or misdemeanor involving moral turpitude, or whether he admits the commission of acts which constitute the essential elements of such crime or misdemeanor, although he has not been prosecuted or convicted, or whether he has been convicted of a purely political offense.

Column 18 (Whether a polygamist).—The entry in column 18 should be "Yes" (or "Y") or "No" (or "N").

Column 19 (Whether coming in pursuance of previous promise, etc.).—The entry in column 19 should be "Yes" (or "Y") or "No" (or "N").

Column 20 (Whether mentally or physically defective, and nature of defect).—The entry in column 20 should show whether alien is mentally or physically defective, and if so, the nature of the defect. If the defect is mental, the entry should be "Insane," "Idiot," "Imbecile," "Feeble-minded," or "Epileptic," as the case may be. If the defect is physical, the entry should be "Deaf," "Dumb," "Blind," "One-eyed," "Lame," "Hunchback," "Consumptive," "Crippled," "Deformed," "Paralytic," "Leper," "Tuberculosis," "Heart trouble," "Defective speech," "Defective hearing," "Defective sight," "Defective memory," "Defective limb," "Defective joint," "Defective muscle," "Defective nerves," "Defective back," "Defective neck," "Defective chest," "Defective breast," "Defective throat," "Defective lungs," "Defective skin," "Defective scalp," "Defective hair," "Defective nails," "Defective fingers," "Defective toes," "Defective feet," "Defective arms," "Defective hands," "Defective legs," "Defective thighs," "Defective hips," "Defective abdomen," "Defective shoulders," "Defective ribs," "Defective spine," "Defective neck," "Defective head," "Defective face," "Defective mouth," "Defective nose," "Defective ears," "Defective eyes," "Defective eyelids," "Defective eyebrows," "Defective forehead

Most of these are small landowners, tenants, or day laborers. Illiteracy is very high. Column 25 (Manifest alien No.).—A separate line should be used for entries in this column. The alien immigrant should be assigned a number, beginning with number one every day, and the consecutive numbers should be recorded in this column. If a person is detained for special inquiry, the number assigned to him or her should be retained throughout the proceedings.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 1 (Last name).—Self-explanatory. Enter surname of each alien in this column. The above is for use of Government officials only.

Column 2 (Full name).—The answer in this column should be expressed in every case in full, the letter to be given in addition to the initial or initials of the middle name or names, if any.

Column 3 (Age).—The answer should be given in each case by writing the number of years of age.

Column 4 (Sex).—The entry should be either M (male) or F (female).

Column 5 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Tiller, engineer, stockraiser, farmer, locomotive engineer, miner, engineer, barber, tailor, or other industrial designation.

A distinction should be made between laborer and man employed, terminology of the census should be followed as nearly as possible:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and officers before the immigrant examination of alien arrives.

Column 8 (Able to read and write).—This column is subdivided and contains the following direction: "Read and write language (or) if not, what language can read." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims examination from the ordinary requirements, the words "can not" should be entered.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be held to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and officers in this regard. For instance, "France" should not be the head of column 9 does not mean "France" by country. An Irish, German, or Hebrew alien should not be the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

VARICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cape or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., continental Piedmont, Lombardy, Venetia, and Emilia) and their descendants who are born in Italy; Switzerland, land, Adriatic Littoral, or any other country should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in northern Italy (i. e., continental Piedmont, Lombardy, Venetia, and Emilia) and their descendants who are born in Italy, Switzerland, Adriatic Littoral, or any other country should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

Column 11 (Last permanent residence).—Name the country in which the alien had his last permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence whether it be for a short or long period of time. In column 11 should show the country, but city or town of last permanent residence. It is important to establish previous time alien may have resided in one or more countries, in order that the record of last permanent residence may be definitely established. Country of last permanent residence of aliens who are permanent residents of the United States and who terminate their visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The purpose for the examination shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence if within the United States. Column 14 (Ultimate destination).—The purpose for the examination shall show the intended future permanent residence. If intended residence is outside the United States, the entry should show definitely the place (city or town) of intended future permanent residence, country, etc.

Column 15 (Have you a ticket through to such destination).—The answer to this question shall be "Yes" or "No" (no ticket).

Column 16 (Are you going to join a relative or friend, and if so, what relative or friend, and where does he or she live, and whether such relative is a citizen or not).—The answer should be either Yes (ticket) or No. Also the name, address, and relationship of such relative or friend should be given, as well as whether such relative is a citizen or not.

Column 17 (Whether going to join husband, father, parents, or other relative; friend; steamship company, etc. (indicate by number) the exact situation of person above). Money possessed by the head of a family should not be charged among the several members of the family.

Column 18 (Whether ever before in the United States; and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as: 1881 1891, Philadelphia.

Column 19 (Whether going to join a relative or friend; and if so, what relative or friend).—The answer should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, the affirmative of the word, are to be given by inspection officer in the examination of aliens. However, in answering question 33, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

GREEK.

The term "Greek" refers to the Greek people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

VARIOUS (BLACK).

"African (black)" refers to the African Negro, whether born in Africa or elsewhere. Any alien with admixture of blood of the African Native, North or South American, Europe, or Africa. Column 5 (Head-tax status).—Steamship lines should make no entries in this column. The above is for use of Government officials only.

Column 6 (Age).—The years in this column should be expressed in years or months, the latter abbreviated only to those under 1 year of age.

Column 7 (Sex).—The entry should be either M (male) or F (female).

Column 8 (Married or single).—The terms should be M (married), S (single), W (widowed), or D (divorced).

Column 9 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, mechanical engineer, mining engineer, farm laborer, steel laborer, iron molder, wood turner, etc., and not merely as engineer, laborer, molder, turner, or other indefinite designations.

The distinction should be made between farmers and farm laborers, terseness of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farm who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made.

If necessary, by inspectors and lookers during their consideration and consultation the following shall mean:

"Read and [illegible] [or, if exemption is claimed, read and write (Hebrew)]."—In answering this question from the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the words "cannot read" should be used.

(Column 8 (Nationality).—Question 8 should be construed to mean the country of which alien is a citizen or subject.

(Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be had to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and lookers there in this regard. For instance, "France" abbreviation under the head of race or people does not mean "France" by country. An Irishman, German, or Hungarian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be observed in every case:

TYPE.

The term "Cuban" refers to the Cuban people (not Negroes).

NOTE.—Full text of section 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or who is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the government of the United States or of any other organized government because of his or their official character.

The law counts, and yet on one's leaving the country, whether one intends to return or not, as terminating permanent residence. It is important for statistical purposes that abnormal conditions should be carefully noted. Where the country, and yet on one's leaving the country to which one belongs, is occupied by a foreign or other enemy to a hostile power, or is in a state of war, or is in a state of siege, or is in a state of emergency, or is in a state of martial law, or is in a state of insurrection, or is in a state of civil war, or is in a state of revolution, or is in a state of anarchy, or is in a state of chaos, or is in a state of disorder, or is in a state of confusion, or is in a state of uncertainty, or is in a state of doubt, or is in a state of suspense, or is in a state of expectation, or is in a state of hope, or is in a state of fear, or is in a state of despair, or is in a state of resignation, or is in a state of submission, or is in a state of obedience, or is in a state of loyalty, or is in a state of allegiance, or is in a state of fidelity, or is in a state of devotion, or is in a state of piety, or is in a state of religion, or is in a state of faith, or is in a state of belief, or is in a state of opinion, or is in a state of judgment, or is in a state of discretion, or is in a state of wisdom, or is in a state of knowledge, or is in a state of learning, or is in a state of education, or is in a state of culture, or is in a state of refinement, or is in a state of civilization, or is in a state of progress, or is in a state of development, or is in a state of growth, or is in a state of maturity, or is in a state of old age, or is in a state of senility, or is in a state of decay, or is in a state of death.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and complete address of such relative. It is also important that the alien should be asked whether he has any relative living in the United States, and if so, where such relative resides. If no such relative resides in the United States, the alien should be asked whether he has any friend who can be communicated with in case of his illness or death, and the address of such friend should be obtained.

Column 12 (Final destination).—Intended future permanent residence while in the United States. The alien should be asked whether he has any relative living in the United States, and if so, where such relative resides. If within the United States, country, if outside the United States.

Column 13 (Whether going to join a relative or friend, and if so, what relative or friend; how much money he has in his possession, etc.).—The entry in column 13 should be made sufficiently full to show whether the alien has any friend or relative in the United States to whom he is going, and if so, what relative or friend, and where such relative or friend resides, and how much money he has in his possession, and whether he has been in the United States before, and if so, when he was there last, and how long he was there, and what he was doing there

That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the alien's employ, when and where they were respectively shipped or engaged, and specifying those to be brought on and discharged in the port of arrival; to list containing as much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of each immigrant alien to appear before the proper immigration officer at the time and place designated by the Secretary of Labor, and each such alien shall be duly examined and otherwise dealt with under the provisions of this act. Any master who shall refuse or neglect to deliver such lists, or any person who shall refuse to answer any question in relation to the name, birth, or last residence of any alien, or who shall make any false answer thereto, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not more than $1,000 or by imprisonment for not more than six months, or by both such fine and imprisonment.

SEC. 39. That it shall be the duty of the owner, agent, consignee, master, purser, or person in charge of any vessel bringing an alien to the United States from any foreign port or place, at the time of the departure of such vessel from the last port or place in a foreign country where such alien has been in transit, to deliver to each such alien a card, the form and size of which shall be prescribed by the Secretary of Labor, and a duplicate thereof, all to be filled out by such alien, stating his name, age, sex, nationality, last residence, calling, and intended destination in the United States, the purpose for which he comes to the United States, whether he has a ticket through to his destination, whether he has been in the United States before, whether he has relatives or friends in the United States, and if so, what relatives or friends, and how much money he has with him, and such other questions as may be prescribed by the Secretary of Labor. Each such alien shall write his full name on said card and duplicate thereof in the presence of the inspector at the time of inspection, and the card shall be signed by the alien and authenticated by the inspector. The card shall be taken from the alien by the inspector at the port of arrival and the duplicate delivered to the commissioner of immigration at that port. Any such alien who shall fail or refuse to write his name on such card and duplicate thereof shall be deported in the manner provided by law, unless he shall prove to the satisfaction of the Secretary of Labor that such failure or refusal was due to physical disability or to circumstances beyond his control. Any such alien who shall willfully destroy his card or duplicate thereof shall be deported in the manner provided by law, unless he shall prove to the satisfaction of the Secretary of Labor that such destruction was due to circumstances beyond his control. Any such alien who shall willfully write false information on such card or duplicate thereof shall be fined not more than $1,000 or imprisoned not more than six months, or both such fine and imprisonment.

INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

Column 1 (No.).—The number of the alien in column 2 should be expressed in two or more figures, the latter applying only to those under 1 year of age.

Column 2 (Age).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, mechanical engineer, locomotive engineer, mining engineer, steam engineer, boilermaker, iron molder, wood turner, etc., and not simply as engineer, boilermaker, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, laborers of the various kinds, and laborers without specification.

A farmer laborer is one who works on a farm for the sake of wages.

A gentleman is one who observes a term, either for pleasure or profit.

Photographs must be made, if necessary, by inspectors and lodgers during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided into the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should be the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and the immigrants should be correctly located by inspectors and lodgers. Care in this regard, as to the distinction between "France" and "French" by race or nationality, and similarly "England" and "English," "Scotland" and "Scotch," "Ireland" and "Irish," "Germany" and "German," or "Holland" and "Dutch," should be carefully observed, as an alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

TURK.

The term "Turk" refers to the (Ottoman people (not Negroes).

NEW INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

NATIVE-BORN AMERICAN.

"Aboriginal-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other localities in the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the parts of the Kingdom of Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a clear dialect of the Italian language.

ITALIAN (SOUTH).

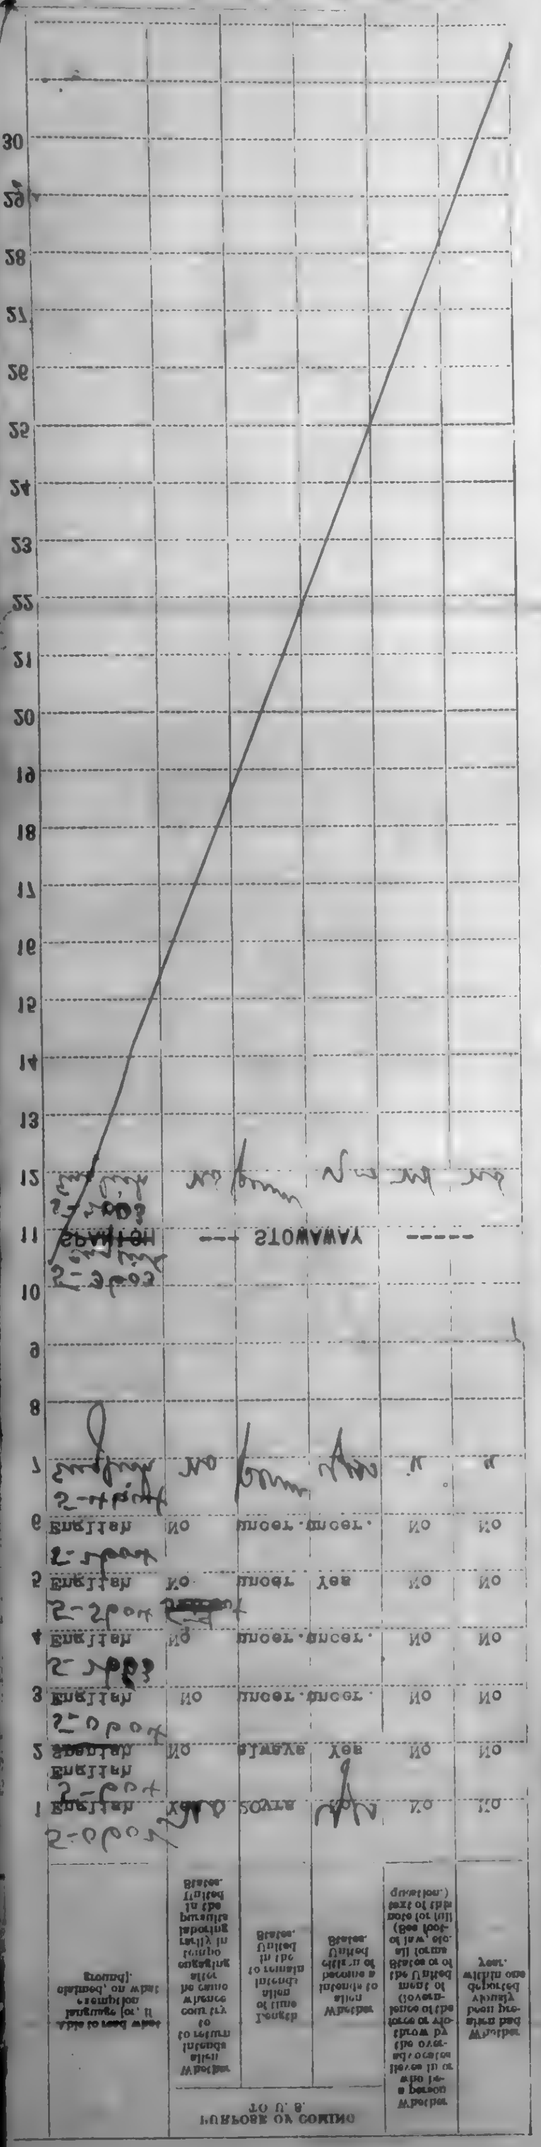
The people who are native to that portion of Italy south of the parts of the Kingdom of Italy (i. e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An Indian should be credited as one's last permanent residence the place at which he has resided with the intention of remaining permanently. The last country in which alien resided with the intention of remaining permanently is not to be considered as the last permanent residence regardless of length of actual residence therein. The entries in column 10 should be the country, and not a town or place, where the alien had his last permanent residence. It is important for statistical purposes that aforesaid information be accurately and completely given. The last permanent residence should be construed to mean the country of domicile, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a temporary absence abroad should be credited as arriving from the country of last permanent residence.

Column 11 (Names and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and complete address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should be (city or town) of intended future permanent residence. If within the United States, county. If outside the United States, country.



Column 14 (Whether having a ticket to ship land destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (If in possession of $50 and upward, how much? In cash, express or bank notes, how much? Any amount in excess of $30 in cash or bank notes must be reported).—The entry in column 15 should be a statement of the amount of money the alien has with him, whether in cash, express, or bank notes, and if in excess of $30 in cash or bank notes must be reported.

Column 16 (Whether in possession of railroad ticket to final destination, and whether ticket is paid for by himself or by others).—The entry in column 16 should be a statement of the character of railroad ticket held by the alien, whether it is paid for by himself or by others, and if by others, by whom.

Column 17 (Whether going to join relatives or friends, and if so, what relatives or friends, and their name and complete address).—The entry in column 17 should be whether the alien is going to join relatives or friends, and if so, what relatives or friends, and their name and complete address.

Columns 18 to 25.—The answers in these columns are subject to verification by the inspection officer in the examination of aliens.

NOTE.—Full text of this American flag reads: We protect and defend our country and our flag. Our flag represents the government of the United States of America and all that it stands for. Our flag is the emblem of liberty and justice. It is a symbol of the rights of the people and of the duties of the government. IMPORTANT NOTICE.—1. Great care should be taken not to place on this list the name of any passenger who was not born in the United States or who has not taken out final naturalization papers.

2. Where one or more members of a family are aliens, the names of all such members should be recorded when the alien manifest. Suitable notation may be made upon each manifest opposite the names of those members who claim citizenship.

3. Failure to observe the terms of this notice may result in delay to passengers at the port of arrival.

INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

Columns 2 (Age).—The terms of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Columns 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Columns 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Columns 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: (Do not say "laborer," "engineer," "clerk," "gentleman," "servant," "boy," "girl," "child," "infant," or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, farmers being of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the farm who employs it.

Stenographic competitive should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and experts during the forenoon examination of alien arrivals.

Columns 7 (Able to read and write). - Columns 7 to embrace individual and the entries therein should be made as follows:

Columns 7 (Able to read and write).—If over 14 years of age and can both read and write, "Yes"; if over 14 years of age and can read but not write, "No"; if over 14 years of age and can neither read nor write, "No"; if under 14 years of age (can read but not write).

Columns 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Columns 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and nationality, but inasmuch as the race or people is given in each list.

Columns 10 (Last residence).—Intended to mean the permanent residence of the alien, and not a temporary residence. It should be carefully viewed by inspectors and experts during the forenoon examination. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race should write by nationality. An alien who is a citizen of United Kingdom or who offers country by nationality. In this connection the following distinctions should be specially observed:

CANADA.

The term "Canada" refers to the Canada people (not Negroes).

WEST INDIA.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

AUSTRIA-HUNGARY.

"Austro-Hungarian" refers to the people of Austria-Hungary, whether born in Austria or Hungary.

"Austrian (Czech)" refers to the Austrian Negro, whether coming from Cuba or other islands of the West Indies. South or South American. Ethnic or Asian. May also mean an alien born of Negro parents in Austria.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy; i. e., comprising Piedmont, Lombardy, Venetia-Istria, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising Tuscany, the Abruzzi, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence, and if an alien has resided one year or more in the last permanent residence specified with the intention of coming to the United States, he should be entered from such permanent residence. It is important to distinguish between temporary residence and permanent residence, independent of country of residence, nationality, or race.

Aliens who are bonafide residents of the United States and are returning from a visit abroad should be recorded as residents of the United States for country of last permanent residence.

Column 11 (City, and complete address if known) relates to intent to remain as stated in case. The entry in column 11 should give name and address of such relative. If no such relative lives in the United States, enter "None."

Column 12 (Final destination).—Intended to give bonafide intention at time of landing. The entry in column 12 should show definite destination, the place, city or town of intended future permanent residence. If within the United States, state it, otherwise the United States.

Column 13 (Whether ticket is paid for by self or other person or corporation, or by whom person was sent).—The entry in column 13 should show definite information as to whether the ticket was paid for by the alien himself or by others, and if by others, by whom, whether by friends, relatives, employers, societies, or other persons or corporations.

ITALIAN (NORTH).

The people who live to the north of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, America, England, or elsewhere, are called "Italians (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who live to the south of the River Po (i. e., comprising the States of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Latin dialect, the Tuscan, which is the official language in Italy. Sometimes, however, in remote districts, a Gallic dialect is spoken.

Column 1 (Last permanent residence).—Name of an inhabited residence of one year and upwards with the inhabitants of a number one year or more shall be the last permanent residence therein of the person in question. The entries in column 11 should show the county and city or town of last permanent residence. It is important for the purposes of the Census that accurate and complete information be given in this column.

Column 2 (Name and complete address of present residence).—The name and address of every person living on the night of Sunday, the 6th April, 1924, must be entered in this column, whether he be a member of the family, a visitor, a lodger, or a servant. Column 4 (Age last birthday).—The age of each person should be stated in years and completed months. Infants under one month old should be described as "1 month," "2 months," etc., and not as "0 month."

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The entry should be either "Married," "Single," "Widowed," or "Divorced."

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each male person of 14 years of age and upwards, and of each female person of 10 years of age and upwards, whether engaged for wages, salary, or profit, or working at home, as, for example: "Iron turner," "Blacksmith," "Engine fitter," "Motor engineer," "Grocer," "Draper," ITALIAN (GREEK).

The people who are alien to the flesh of the River Po in northern Italy do, comparatively, resemble the Anglo-Saxon. Their features, their physique, their dress, their habits, their thoughts, their very speech, are different. Rome, the Capital and Metropolis of United Italy, or any other country, should be classed as "Italian (south)." Most of these belong to the Latin race, and are descended from the Romans, but many have Greek, Arabic, Phœnician, Norman, Lombardic, Teutonic, or even Albanian blood in their veins. Their ancestors have been for centuries in Italy, and they are a mixed race. They are Italians, but their characteristics should be classed as "Italian (south)."
